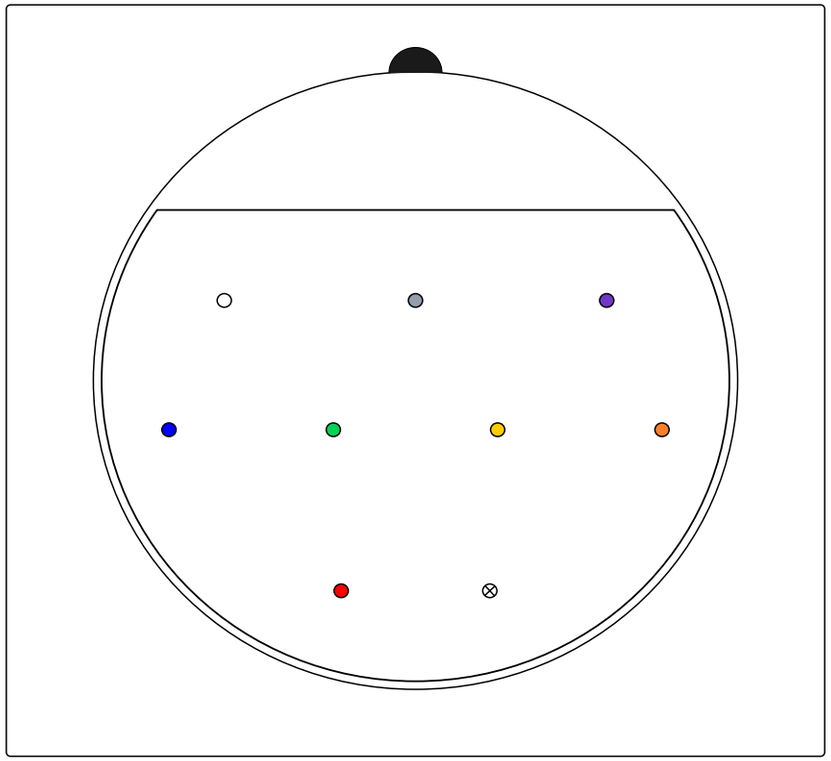
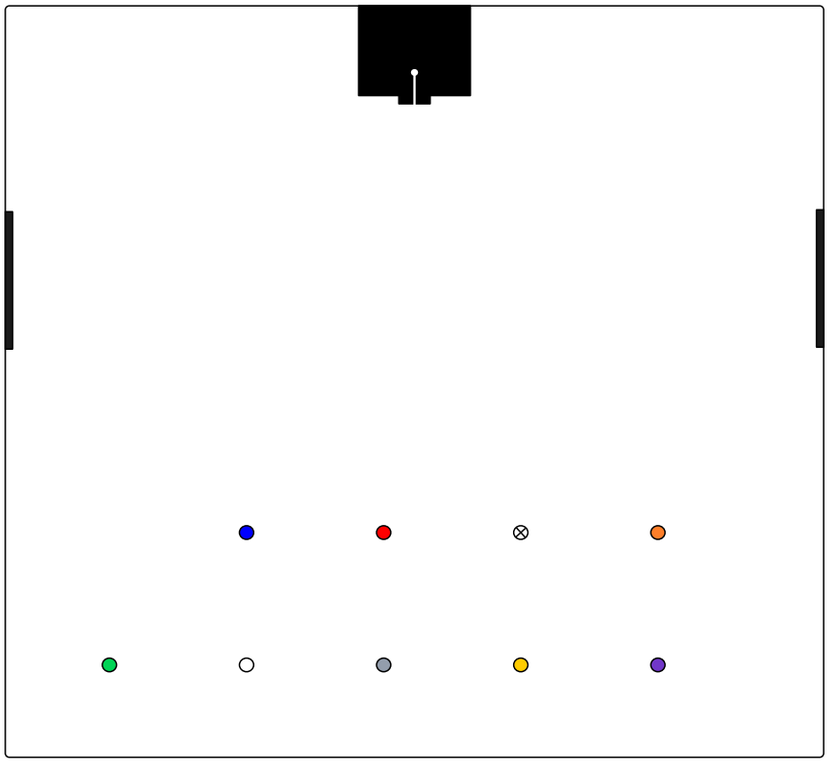
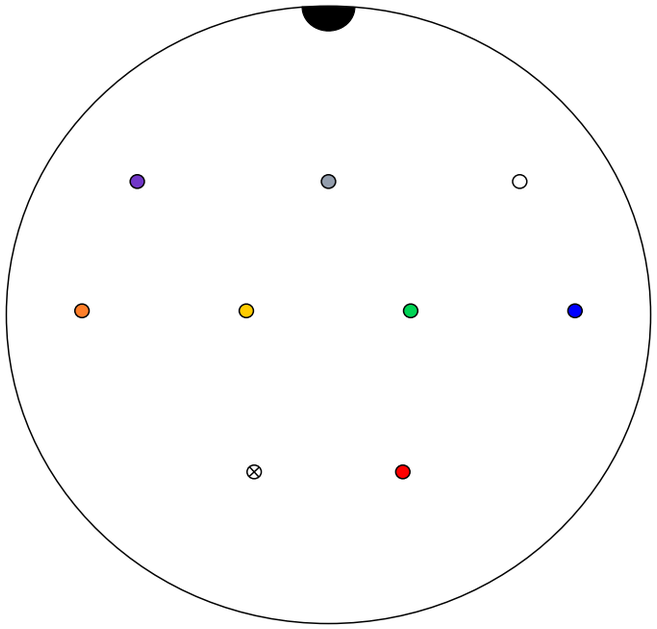
9-pin female PCB connector (mating face view):



9-pin female PCB connector (pin side view):



9-pin male mini-DIN connector (cable assembly):



Wires to PCB pads:

	J9
	J5
	J7
	J2
	J4
	J11
	J3
	J1
	J8
Shield	J6

In all instances:

- Objects containing black infill are representative of shield/GND wire.
- Pins containing no infill are representative of white wire.
- Pins containing an X are NC.

Note

Shield is tied to GND/black wire.
